EDUCATIONAL BACKGROUND

High School Diploma in Social Sciences

Instituto Nuestra Señora del Socorro, San Pedro, Argentina | 2019

Full Stack Development Bootcamp

Henry, Buenos Aires, Argentina | 2020

LANGUAGES

- English (C1)
- Spanish (native)

Software developer with more than 3 years of experience in web and app development.

This experience has taught me to work in a fast paced environment and to develop communication skills, leadership, and technical skills.

I'm responsible, honest, creative, proactive, and i quickly adapt to new environments.

ACCOMPLISHMENTS

- Successfully transitioned from a trainee to a technical leader at OpenDev Pro, where I play a key role in Medifé Mobile, showcasing my capacity to take on increased responsibilities and provide technical leadership.

WORK HISTORY

Software Engineer

OpenDev Pro | Nov 2020 - Present

- Provide strategic direction for applications in development, contributing to the enhancement of the development process.
- Mentor Junior Software Engineers to foster skill development within the team.

Software Engineer

Punto Trail | Jun 2023 - Sept 2023

- Developed a web application for an upcoming bike race, showcasing proficiency in web development.

Software Engineering Bootcamp
